Multi Contact Grills

Models: MCG10G, MCG14G, MCG20G
MCG10S, MCG14S, MCG20S
MCG10GS, MCG14GS, MCG20GS

Hatco Corporation introduces the Multi Contact Grill as a new addition to our light cooking line of equipment that gives you the flexibility to grill paninis, sandwiches with breads of different sizes and thickness, snacks, vegetables, meats, quesadillas, fish, and hamburgers, to name a few, all on the same piece of equipment!

Standard features

- Patented Heating Element Pack provides exceptional heat distribution over the entire surface of the plates for even, uniform cooking
- Easy Clean System® for quick, efficient cleaning
- Thermostatic control from 120°F to 570°F (50°C to 300°C) for precision cooking
- Dishwasher-safe, enamel-coated cast iron Grooved Top and Bottom Plate are standard
- Grooved Plates are interchangeable with the Smooth Plates
- 6' (1829 mm) cord with plug attached
- Cord location is under base at center of unit
- Stainless Steel frame
- Removable drip tray with handles
